

ACE ULTRA PREMIUM DUAL FLAVOR GEN24G

Introducing ACE's new Dual Vape: a cutting-edge device that redefines the vaping experience with its innovative design and flavorful experience. Our sleek and compact device offers two distinct flavors in one, without the need for buttons to switch flavors. With its slim and compact design, and a total of 4 grams, we ensure an extended and satisfying vaping session. Embrace the future of vaping with us, where convenience, flavors and versatility converge in a stylish and efficient package.
